Part-time & Sessional
Town Hall
March 19 6:30 p.m.

We make the
college.
Now we build
the union.

In 2017, part-time and sessional faculty across all 24 colleges voted on unionizing with OPSEU/SEFPO. The wait is **almost over.**

Get ready to join OPSEU/SEFPO — seven years since our union vote, the ballot boxes are soon to be opened. Once union certification is confirmed, part-time and sessional faculty colleagues will officially gain full union representation, paving the way towards a first collective agreement.

- Following the ballot count, part-time (teaching 6h/week or less) & sessional (teaching 13h/week or more) instructors and professors, as well as part-time and sessional counsellors and librarians, will join the union.
- Part-time & sessional faculty will form their own bargaining unit — with their own provincial leadership and bargaining team.
- Leadership will be elected through a Divisional Meeting by your part-time and sessional colleagues.

Are you a leader, ready to build your union? Get in touch!
